Sanitary bag dispenser for public restrooms h218104

Sanitary bag dispenser in chrome-plated ABS and polypropylene, 138x100x28 mm. Versatile wall-mounted or countertop installation for public facilities.

The sanitary bag dispenser is an essential accessory for the professional setup of restrooms, specifically designed for areas reserved for female users. This dispenser meets the need to maintain high standards of hygiene and decorum, facilitating the management of sanitary waste in high-traffic contexts. The structure is characterized by a shell in **chrome-plated ABS** with a polished finish, which provides a refined and professional aesthetic appearance, supported by a robust base in **black polypropylene**.

Technical features
