Sanitary bag dispenser for public toilets h520_04

Sanitary bag dispenser in black AISI 304 stainless steel, wall-mounted, 13.5x28 cm. Ideal for high-traffic restrooms.

The sanitary bag dispenser represents a professional solution designed to raise service and hygiene standards within public and commercial bathrooms. Thanks to its robust structure and compact design, this accessory allows for orderly and discreet management of feminine hygiene products, effectively solving issues related to decorum and cleanliness in high-traffic areas. It is an essential element to optimize the end-user experience, while ensuring greater ease in routine maintenance operations.
