

Scale armchair with armrests h634_66

Scale armchair for dialysis with completely removable cushions. Capacity: 200 kg. Available in different colors.

Scale armchair ideal for clinical treatments in hospitals, clinics and private hospital facilities. The product is made of a steel frame painted with thermosetting epoxy powders with antibacterial and anti-tip properties, for high stability. **The simultaneous movement of the backrest and leg sections occurs via a motor.** The three separate cushions (backrest, seat and legs) are functional for excellent posture. The fire-retardant coating is completely removable allowing for effective sanitization. The surface is divided into 4 sections: headrest, backrest, seat and legs. The product is also characterized by: 10° Trendelenburg position, headrest integral with the backrest, armrests integral with the movement of the backrest, removable, with rotation function, up/down tiltable, 90° foldable, 4 durable, antistatic, stainless, revolving Ø 100 mm wheels, simultaneous brake for rear wheels in galvanized steel.

A perimeter control panel equipped with a 3.5 m spiral cable allows you to manage all movements.

The weighing system allows you to read the weight via a digital LCD indicator with a 180° viewing angle easily visible beyond 20 m.

Technical characteristics:

- Steel frame painted with thermosetting epoxy powders
- Anti-tip frame
- Surface divided into 4 sections: headrest, backrest, seat and legs
- Armrest movement integral with the backrest
- 10° Trendelenburg position
- 4 durable, antistatic, stainless, revolving Ø 100 mm wheels
- Simultaneous rear wheel brake in galvanized steel
- Perimeter control panel equipped with 3.5 m spiral cable
- Bilateral control panel support
- ABS cover for base
- ABS cover for seat
- Soft foam cushions
- Fire-retardant faux leather upholstery UNI 9175/87 and 9175FA-1/94 class 1IM
- Integrated weighing system
- External long-autonomy emergency battery
- LCD screen
- Anti-blackout function for maintaining weight data in the event of a power failure
- Digital multifunctional scale display, located on the back of the backrest
- Maximum capacity 200 kg
- Available in different colors
