## Scale for veterinary use h721\_06

Animal weighing scale for veterinary use. Capacity: 60 kg. Platform dimensions: 30.5 x 31.5 cm.

**Animal scale** ideal for use in veterinary practices and clinics. Easy to use thanks to the **backlit LCD display** and the intuitive keyboard. Versatile as it can be used both through the mains connection and via battery, allowing for mobile use. The structure is made of painted steel and features an aluminum load cell and **stainless steel weighing plate**. The base is equipped with **non-slip rubbers**, to ensure perfect support.

### Technical features:

- Capacity: 60 kg
- Divisions: 20 g
- Platform dimensions: 30.5 x 31.5 cm
- Platform with 4 load cells with indicator
- Aluminum load cell
- Painted steel structure
