

School cabinet 6 shelves h46112

Professional cabinet for nursery schools in 18 mm melamine, dimensions 104x46x150 cm, with 6 shelves and doors with recessed handles.

The cabinet for educational environments is designed to meet the storage and organization needs within nursery schools, kindergartens, and play centers. The robust structure and rational internal configuration allow for the orderly management of teaching materials, aids, or personal items, while ensuring a safe working environment for staff and children. Thanks to the selected materials, the furniture ensures resistance to daily wear typical of school contexts.

Technical features
