

## School desk h908\_63

Single-seater school desk in Ø28 steel with 70x50 cm top, equipped with an under-shelf grid and integrated footrest for ergonomic comfort.

The **h908\_63 single-seater school desk** is a technical furnishing solution designed to optimize ergonomics and space management in modern educational environments. The structure is designed to respond to the typical stresses of intensive school use, offering the student a stable and functional workstation. The management of educational materials is facilitated by the integration of a lower compartment, while posture is supported by specific structural elements that reduce fatigue during lesson hours.

## Technical features

- **Top dimensions:** 700 x 500 mm
- **Total height:** 760 mm
- **Supporting structure:** Ø 28 mm tubular steel with ergonomic curvature
- **Under-shelf:** high-resistance wire mesh grid for book storage
- **Postural support:** integrated footrest in the base structure
- **Stability:** anti-noise and anti-scratch floor glides
