

School easel whiteboard h908_145

Whiteboard with easel and white laminate surface. Beech frame. Dimensions: W 130 x D 100 x H 175 cm.

The **H908_145 school whiteboard** is a functional and versatile solution for use in **classrooms, educational spaces, laboratories, and training environments**, designed for frontal and interactive educational activities. The **writable surface is made of white laminate**, ideal for writing with **erasable markers**, and ensures a smooth, resistant, and easy-to-clean surface.

The structure is a **self-supporting easel**, which allows for **stability without the need for wall mounting**, making it perfect also for shared environments or temporary use. The **beech frame** provides solidity and a natural aesthetic, perfect for school and professional environments.

The **large dimensions (W 130 x D 100 x H 175 cm)** offer a good writing surface and visibility for the whole class, while keeping the whiteboard easy to move and position anywhere.

Purchase the **H908_145 whiteboard** to equip your classroom with a professional and versatile educational tool. Contact us for school supplies or custom solutions.
