Scooter rack h729_18

Scooter rack with 6 spaces. Wall fixing. Dimensions: L.106 x D.24.5 x h.15 cm.

Scooter parking rack, ideal for installation in public spaces. Made of **powder-coated and rust-proof tubular steel**, ensuring good resistance to atmospheric agents. The structure is equipped with **6 spaces**; at each space, there is a semicircular plate with two holes at the ends to allow the scooter to be secured using padlocks or chains (not included). The rack **must be anchored to the wall** using specific fixing plates (screws not included).

Technical features:

- Dimensions: L.106 x D.24.5 x h.15 cm
- Material: steel
- Spaces: 6
- Wall fixing (screws not included)
- Hole diameter for chain and padlock attachment: 20 mm

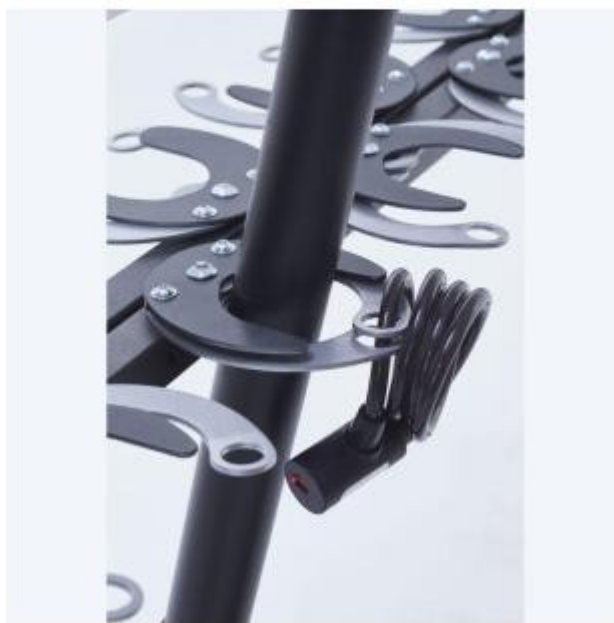

INFORMATION

- Length in millimetres 1060.000000
- Depth in millimetres 245.000000
- Height in millimetres 150.000000
- Number of seats 6
