

Secondary school desk size 5 h172_260

Secondary school desk size 5 (70x50xh71 cm) with ivory melamine top and beech edge. Tubular steel structure.

The **secondary school desk size 5 h172_260** is a study workstation developed specifically for furnishing classrooms in secondary education institutions. Aimed at school managers and education sector suppliers, this furniture definitively solves the need to equip teaching spaces with stable, ergonomic workstations resistant to intensive daily use by students. The configuration with dimensions of 70x50x71 cm meets the precise dimensional standards for size 5, ensuring correct postural support. The ivory melamine worktop with beech edge, combined with the solid supporting structure in 40 cm tubular steel, ensures long-lasting durability and significantly facilitates sanitization operations between lesson shifts.
