

Secondary school desk with undershelf h908_80

Single-seater school desk H908_80 in steel, 70x50x82 cm. Ergonomic C-frame for tall students with sheet metal undershelf and ivory top.

The **single-seater school desk H908_80** is a technical-educational furniture solution designed to meet the ergonomics and resistance requirements typical of high-traffic environments. The distinctive feature of this model is the “**C**” **structure** made of steel with **Ø40 mm** tubular legs, a configuration that eliminates frontal obstacles ensuring superior freedom of movement and easier access to the seat.

Specifically designed for tall students, the desk has a height of **82 cm**, ideal for promoting a correct posture during lessons in higher education and university contexts. The ivory finish worktop, durable and easy to sanitize, is completed by a large **sheet metal undershelf**, designed for the optimal organization of books and stationery, keeping the operating surface always free of clutter.
