

Semi-circular table for nursery school h681_32

Semi-circular table in FSC beech and HPL, 130x65x42 cm. Designed for nurseries 0-3 years, it ensures easy supervision and certified safety.

The **h681_32 semi-circular table** is a professional furnishing solution designed specifically for **nurseries and kindergartens**. Its geometry is designed to optimize interaction between the educator and children aged between **0 and 3 years**, allowing for centralized supervision during mealtime, play, and manipulative activities. Thanks to the absence of under-top frames, the table respects the rigorous **anthropometric spaces** necessary for the comfortable movement of small users.

Technical features

- **Dimensions:** L 130 x W 65 x h 42 cm
- **Target use:** Age group 0/3 years
- **Supporting structure:** Turned legs in **solid FSC beech wood** (diameter 60 mm) with a non-toxic natural water-based finish.
- **Fastening system:** Mechanical coupling with threaded pin and recessed bush in a **patented anti-tear plate** made of plastic material.
- **Worktop:** Class E1 birch plywood (thickness 21 mm) with **9/10 HPL laminate** coating.
- **Surface properties:** Matte, scratch-resistant, and **Class 1 fire-retardant** reaction to fire.
- **Passive safety:** Fully rounded edges, polished and treated with non-toxic transparent paints.
- **Base:** Adjustable noise-reducing caps made of high-resistance technical polymer.
