

Service cabinet for dining room h684_104

Professional service cabinet with reinforced base and oversized wheels (94.5x47x103.1h cm). Made of laminated wood, equipped with a push handle, 2 cutlery drawers with dividers and a 2-door compartment with an adjustable shelf. Ideal for frequent movement.

The **restaurant dining room service cabinet** is a high-resistance workstation, designed for those who need robustness and maximum maneuverability. Made of superior quality **laminated wood**, this model stands out for its **reinforced base**, designed to withstand significant loads and continuous movement. The technical equipment includes **oversized 125 mm wheels** and a practical lateral push handle, which make transport smooth even when fully loaded. The internal organization includes **two drawers with dividers** for cutlery and a lower **two-door** compartment complete with an adjustable shelf, ideal for storing plates and table linens in total order.
