

Service cabinet for restaurant h684_105

Professional high service cabinet for restaurant dining rooms (94.8x47x150.8h cm). "Heavy Duty" version with reinforced base, oversized 125 mm wheels and push handle. Includes 2-shelf riser, 2 cutlery drawers and 2-door compartment.

The **high service cabinet for restaurant dining rooms** is a complete workstation designed to withstand the most intense work rhythms. Made of sturdy **laminated wood**, this model stands out for its **reinforced base** and enhanced movement system, which includes **oversized 125 mm wheels** and a solid lateral push handle. The vertical configuration maximizes storage capacity: the upper part has **2 open shelves** (one of which is height-adjustable) for glasses and accessories; the central body houses **2 drawers with dividers** for cutlery; the base is closed by **2 doors** with an additional internal adjustable shelf. It is the ideal solution for those looking for indestructible technical furniture that is easy to maneuver even when fully loaded.
