

Service cabinet for restaurants h684_106

Extra-luxury service cabinet for restaurant dining rooms with a modern design (95.1x51x171.5h cm). Made of laminated wood with refined aluminum-colored details, it features 3 doors, 3 cutlery drawers with adjustable dividers, and an adjustable top riser. Impeccable aesthetics thanks to the hidden wheels.

The **modern design service cabinet for restaurant dining rooms** represents the perfect synthesis of aesthetic elegance and maximum operational functionality. The structure, made of high-quality **laminated wood**, is embellished with exclusive **aluminum-colored details** that define its contemporary profile. Designed to fit discreetly into the most refined contexts, the cabinet is equipped with **hidden wheels** that allow fluid movement without affecting its clean lines. Organization is at the top of its category: **3 large drawers** with adjustable dividers for cutlery and **3 doors** with internal shelves that can be positioned at different heights. The upper part is finished with a **height-adjustable riser**, ideal for scenically hosting glasses, menus, or condiment sets.
