

Service cabinet for restaurants h684_108

Service cabinet with a modern and elegant design (95.1x51x175.3h cm). Made of laminated wood with aluminum-colored details, it features 3 drawers with adjustable dividers, 3 lower doors, and a top section closed by doors. Hidden wheels included.

The **modern design dining room service cabinet** is a prestigious furnishing solution that combines refined aesthetics and professional functionality. The **laminated wood** structure, enriched with elegant **aluminum-colored details**, is designed to blend harmoniously into the most elegant environments. The cabinet stands out for its completely closed configuration: the upper part is protected by doors, while the base houses **3 doors** with adjustable shelves and **3 drawers** with dividers for cutlery. The **hidden wheels** preserve the clean lines of the design while ensuring maximum practicality for floor cleaning.
