

Service station for restaurant h684_114

Professional waiter station with reinforced base and oversized Ø 125 mm wheels. Laminated wood structure with 3 doors, 3 cutlery drawers with adjustable dividers and adjustable top backsplash. Ideal for heavy loads and frequent movements.

The **professional waiter station** is an excellence service unit that combines a modern and refined design with a high-resistance "Heavy Duty" structure. Made of high-quality **laminated wood**, this station is designed to handle intense workflows in prestigious restaurants and hotels. The **reinforced base** is equipped with **oversized 125 mm wheels** and an ergonomic push handle, ensuring exceptional stability and smooth movement even when fully loaded. Organization is optimized on three levels: **3 drawers** with adjustable dividers for cutlery, **3 doors** with repositionable shelves for plates and linen, and an **adjustable-height top backsplash** for condiments and glasses.
