

## Service trolley for restaurant h220\_267

Steel service trolley for 3 containers 600x400 mm, load capacity 100 kg. Ideal for collecting and transporting dishes in the HoReCa sector.

This **steel service trolley** is designed to optimize dish collection and transport operations within professional settings such as restaurant halls, company canteens, catering services, and accommodation facilities. The robust structure and **three-tier guide** system allow for accommodating standard 600 x 400 mm containers, facilitating logistical organization between the dining area and the washing zone.
