

Service trolley for restaurants with walnut-colored shelves h314_61

Service trolley in 18/10 stainless steel with 2 shelves in walnut acid-resistant laminate, dimensions 950x510x900 mm. Ideal for catering and food service.

The **h314_61 service trolley** is a professional solution designed to optimize the movement of food, dishes, and equipment within dynamic catering environments. Thanks to the combination of the **18/10 stainless steel load-bearing structure** and the technical shelves, the product meets the hygiene and resistance requirements demanded in HoReCa contexts and collective canteens.

Technical features

- Frame material: high-thickness 18/10 stainless steel
- Shelves: 2 levels in acid-resistant laminate with walnut-colored finish
- Rotation system: 4 non-marking gray rubber swivel wheels
- Wheel diameter: 125 mm
- Safety: equipped with rubber corner bumpers
- Overall dimensions: W 950 x D 510 x H 900 mm
