

Service trolley with 3 laminate shelves h314_161

Professional service trolley in 18/10 stainless steel with 4 walnut acid-proof laminate shelves, 100 kg capacity and swivelling wheels with bumpers.

The service trolley **h314_161** is a professional solution designed to optimize transport and distribution in gastronomic and hospitality contexts. The combination of the **18/10 stainless steel structure** with square tube and the walnut-colored **acid-proof laminate** shelves ensures a perfect balance between aesthetic elegance for dining room service and mechanical robustness for intensive kitchen use. Thanks to the four-shelf configuration, the trolley maximizes vertical load capacity while maintaining a limited footprint.

Technical features

- **Structure material:** 18/10 stainless steel with 20x20 mm square tube
- **Shelves:** 4 acid-proof laminate shelves, walnut color finish
- **Shelf dimensions:** 840x440 mm
- **Total dimensions:** 950x510x1050(h) mm
