

Service trolley with 3 shelves h09_257

Multipurpose service trolley h09_257 in AISI 304 stainless steel with 3 soundproof shelves, dimensions 91x57x96 cm. Ideal for hygiene and silence.

The service trolley **h09_257** is a professional solution designed for safe and hygienic handling in technical and operational environments. The structure is entirely made of **AISI 304 stainless steel tubing** (20x20 mm), a material of excellence for resistance to oxidation and ease of sanitization. The three-shelf configuration with a satin finish integrates a **soundproofing** system, fundamental for reducing vibrations and noise pollution during the transport of dishes, instruments or materials in sensitive contexts.

Technical features

- **Material:** High-resistance AISI 304 stainless steel
- **Structure:** Electrowelded 20x20 mm tubular frame
- **Shelves:** 3 AISI 304 stainless steel shelves, folded and satin-finished
- **Acoustic properties:** Shelves equipped with internal soundproofing
- **Rolling system:** 4 multidirectional Ø 125 mm wheels
- **Protection:** Soft rubber corner bumpers
- **Shelf dimensions:** 80 x 50 cm
- **Total dimensions:** 91 x 57 x 96 (h) cm
