

Service trolley with 3 shelves h83334

Professional 3-shelf service trolley in aluminum and plastic, 150kg capacity. Dimensions 103x50.5x96 cm, ideal for HoReCa hygiene and efficiency.

The **professional service trolley Code H83334** is designed to optimize workflows in high-intensity operational environments such as **hotels, canteens, industrial kitchens, and catering services**. It meets the need to transport multiple loads while ensuring high hygiene standards and ease of maneuverability in tight spaces. The combination of **aluminum and engineering plastic** gives the trolley a lightweight structure that does not sacrifice structural strength, allowing for the management of loads up to 150 kg.

Technical features

- **Structure:** Aluminum sections and high-resistance engineering plastic shelves
- **Configuration:** 3 shelves with raised anti-fall perimeter edges
- **Overall dimensions:** L 103 x D 50.5 x H 96 cm
- **Load capacity:** 50 kg per single shelf (total capacity 150 kg)
- **Movement system:** 4 swivel wheels, 2 of which are equipped with pedal brakes
- **Clearance between shelves:** 27 cm
- **Net weight:** 13.4 kg
- **Assembly:** Quick interlocking system (estimated time 10 minutes)
