

Set of 2 stainless steel luggage racks with backrest h76_110

Folding stainless steel luggage rack with backrest. Dimensions: W 60 x D 45 x H 67 cm.

The **luggage rack with backrest h76_110** is an essential accessory for hotel rooms, designed to offer maximum comfort to guests and facilitate luggage arrangement. Made of **polished stainless steel with a chrome finish**, this model gives an elegant and modern look, making it perfect for high-end accommodation facilities. The structure is solid and stable, supported by sturdy legs and **5 extra-resistant black canvas straps**, calibrated to easily support suitcases of various sizes. The presence of the **backrest** is a fundamental technical solution to protect walls and furniture from accidental impacts, improving the durability of the environments over time. Thanks to the folding design and **non-scratch rubber feet**, the product is functional, space-saving, and safe on every type of surface, from parquet to carpet.
