Silent hotel minibar with wooden cabinet h7610

40 lt cabinet minibar, silent absorption. In dark walnut wood with storage compartment and key lock. Ext. dim.: 77 x 47.5 x 45.5 cm.

The **h7610 cabinet minibar** represents a refined furnishing solution for the HoReCa sector, combining the classic aesthetics of **dark walnut wood** with **totally silent** absorption refrigeration technology. Designed specifically for hotel rooms, this 40-liter model solves the problem of nocturnal noise pollution, ensuring maximum comfort for guests. The self-supporting structure includes a practical **upper storage compartment**, ideal for optimizing space and offering an additional support surface. Thanks to the electronic thermostat and the **automatic safety shut-off** system after 15 minutes of door opening, the minibar ensures intelligent management of energy consumption.
