

Silver luggage rack for B&B h514_15

Silver powder-coated steel luggage rack, foldable and compact. Stable structure with black nylon straps. Dimensions: W 55 x D 37 x H 52 cm.

The **silver luggage rack for B&B h514_15** is an essential piece of furniture designed to optimize hospitality in accommodation facilities. Made with a robust **silver powder-coated steel frame**, this support solves the operational problem of managing luggage in the room, avoiding direct contact of suitcases with beds or floors. Its **Dutch design** stands out for its clean lines and rounded corners, ensuring safety for guests and protection for walls. Thanks to its **extremely compact and foldable** structure, it can be easily stored in wardrobes or small spaces when not in use, making it perfect for small rooms.
