

## Silver luggage trolley h712\_42

Luggage and garment trolley in brushed silver stainless steel with carpeting, bumper edge, and 15 cm wheels with brakes. Dim. 112x61x186 cm.

The **brushed silver luggage trolley** is a distinctive element for hospitality services in luxury hotels and high-profile accommodation facilities. Made with a sturdy **stainless steel** tubular structure, this tool solves the operational problem of moving multiple loads, allowing staff to transport suitcases and clothing without physical effort and with maximum discretion. The integration of the garment rail and the soft carpeted base ensure that every piece of luggage, from hard suitcase sets to delicate coats, is handled with the care required by a five-star service.
