

Single-seater desk for primary and secondary school h908_72

Single-seater school desk in Ø40 steel with C-frame, 70x50 cm top and wire mesh undershelf. Ideal for primary and secondary schools.

The **h908_72 single-seater school desk** is a technical furniture solution designed for educational contexts that require durability, ergonomics, and space optimization. The characteristic **"C" structure**, made of high-thickness steel tubing, guarantees superior structural stability and facilitates access to the seat by eliminating front obstacles for the legs. The integration of a **wire mesh undershelf** allows the work surface to be kept clear, offering a ventilated compartment for storing books and teaching materials, while simplifying cleaning and maintenance operations.

Technical features

- **Total dimensions:** W 70 x D 50 x H 64 cm
- **Load-bearing structure:** Ø40 steel tube with high-resistance "C" profile
- **Frame:** Aluminum-colored powder coating
- **Worktop:** 70 x 50 cm in ivory finish, anti-scratch and anti-reflective surface
- **Undershelf:** Electro-welded wire mesh for material storage
- **Ergonomics:** Fixed height of 64 cm, optimized for postural comfort
- **Base:** Protective terminal feet to safeguard the flooring
