

Single-seater desk h908_01

Single-seater desk for secondary schools in metal and laminate, size 6 with integrated footrest. Dimensions 70x50x76 cm, ergonomic design.

The **size 6 single-seater desk** is a technical furnishing solution specifically designed for secondary school educational environments. The structure is designed to promote the student's well-being during prolonged study sessions, thanks to the integration of a **structural footrest** that facilitates maintaining a correct and natural posture.

The absence of the under-top compartment is not a deficiency, but a precise design choice: it eliminates any obstruction for the knees, ensuring **superior freedom of movement** and facilitating access to the workstation. The work surface is sized to comfortably accommodate both traditional paper materials and modern digital devices.
