

Single-seater desk size 6 h908_05

Single-seater desk for secondary schools in steel and laminate, 70x50 cm. Structure without under-top shelf for maximum hygiene and ease of cleaning.

This **single-seater desk** is designed specifically for furnishing second-cycle classrooms, where structural robustness and maintenance simplicity are fundamental requirements. The **size 6** configuration meets ergonomic standards for tall students, ensuring correct posture during lesson hours. The construction choice to omit the under-top shelf favors faster cleaning of environments and reduces the accumulation of dust and residues, making it ideal for high-traffic contexts.

Technical characteristics

- **Type:** School single-seater desk
- **Configuration:** Without under-top compartment
- **Top dimensions:** 70 x 50 cm
- **Frame material:** Circular section steel tube legs Ø28 mm
- **Manufacturing:** Curved tubular for greater structural stability
- **Compliant size:** 6 (school standard)
- **Height from the ground:** 76 cm
