

Single-seater desk with footrest h908_02

Single-seater desk for secondary schools in metal and laminate, 70x50 cm, height 71 cm (size 5). Ergonomic with footrest and without under-top shelf.

The **single-seater desk for secondary schools** is a technical furnishing solution designed to optimize ergonomics and functionality within educational environments. The structure is designed to withstand intensive use cycles, ensuring stability and comfort during lesson hours. The integration of a **fixed footrest** promotes the maintenance of a correct posture, while the choice not to include the under-top compartment facilitates cleaning operations and prevents the accumulation of unnecessary materials, promoting an orderly study environment.
