

Single-seater desk with footrest h908_03

Single-seater desk for secondary schools, size 4, 70x50 cm. Metal structure with integrated footrest and design without under-top shelf.

The **single-seater desk for secondary schools** is a technical furnishing solution designed to optimize individual ergonomics during prolonged teaching activities. The **size 4** configuration meets the specific anthropometric needs of students, promoting correct posture thanks to the **integrated footrest** in the supporting structure. The absence of the lower shelf (under-top shelf) represents a functional choice aimed at maximizing space for the lower limbs and simplifying maintenance and sanitization operations in school environments.

Technical features

- **Type:** Single-seater school desk
- **Configuration:** Structure without under-top shelf for greater roominess
- **Support:** Integrated footrest for postural relief
- **Classification:** Size 4
- **Top dimensions:** L. 70 x D. 50 cm
- **Total height:** 64 cm
- **Work surface:** Large area for teaching materials and devices
