

## Small wall-mounted changing table h743\_14

Professional wall-mounted changing table in metal and HPL, compact with a large changing surface and a capacity of 50 kg, ideal for intensive use.

The **wall-mounted changing table** is a technical solution designed to optimize space in professional contexts without sacrificing safety and functionality. Made with high-quality materials, it combines a robust structure with an ergonomic design that facilitates changing operations in high-traffic settings. The choice of **HPL-coated metal** ensures an extremely resistant and easy-to-sanitize surface, meeting the rigorous cleaning standards required in public places.

## Technical features

- **Material:** HPL (High Pressure Laminate) coated metal
- **Height:** 77.4 cm
- **Length:** 57.3 cm
- **Depth in closed position:** 22.5 cm
- **Depth in open position:** 76.5 cm
- **Load capacity:** approx. 50 kg
- **Mechanism:** Simplified opening and closing system for intensive use
