

## Sofa for barracks relaxation area h1038\_10

Professional 2-seater sofa in faux leather and wood, 160x76x73 cm. Certified wear resistance of 80,000 Martindale cycles and fire-retardant coating.

The **h1038\_10 relaxation area sofa** is a two-seater furniture piece designed to combine **generous comfort** with excellent structural solidity. Characterized by significant softness, this model is ideal for furnishing prestigious waiting spaces or rest areas in institutional and professional contexts. The internal **wooden** structure ensures maximum stability, while the **faux leather** upholstery perfectly meets various aesthetic requirements. Thanks to its clean lines and ergonomic seating, it solves the operational need to furnish high-traffic environments with an elegant, durable, and easy-to-maintain product.
