

Soft corner kindergarten seat h979_16

Soft kindergarten seat in blue faux leather with internal melamine structure and high-density foam padding. Dimensions: Long side length: 70 cm. Short side length: 27 cm.

The **h979_16 blue soft kindergarten seat** is designed to guarantee **comfort, safety and practicality** in environments dedicated to children, such as preschools, nurseries and playrooms. Thanks to its ergonomic structure and high-quality materials, it offers a comfortable and safe seating experience, ideal for learning and play.

The internal structure is made of a **19 mm melamine panel**, a robust and wear-resistant material, covered with **high-density molded foam (30 kg/m³)** which ensures optimal softness while maintaining its shape over time. Three-layer wood particle board, bonded with synthetic resins through high-temperature flat pressing and sanding. Density 630 kg/m covered with melamine-impregnated decorative paper.

The **faux leather covering** is designed to offer maximum durability, with **flex resistance up to 100,000 cycles** (ISO 7854:1995) and abrasion resistance **exceeding 100,000 cycles** (EN ISO 12947-1/2:1999). Furthermore, it is **stain-resistant, antimicrobial and water-resistant**, ensuring optimal hygiene and simple maintenance with neutral soap.

The **non-slip PVC feet** ensure stability on any surface, avoiding accidental movements and protecting floors.

Supplied **already assembled**, the seat is immediately ready for use. Furthermore, the product is certified according to **ISO 9001, 14001 and 14006** quality standards, guaranteeing its compliance with the highest safety and sustainability requirements.

Create a comfortable and safe environment for children! Buy the **h979_16 soft seat** now or request a personalized quote.
