

Soft nursery armchair h979_17

Soft nursery armchair in graphite color with melamine structure. Dimensions: L. long side 860 mm x L. short side 430 mm.

The **soft nursery armchair in graphite color h979_17** is designed to offer a **safe and comfortable seating experience** in school settings and areas dedicated to children. Thanks to its ergonomic design and high-quality materials, it is ideal for **nurseries, preschools, playrooms, and children's libraries**.

The **internal structure** is made of **19 mm melamine panel**, a robust and wear-resistant material, covered with **high-density molded foam (30 kg/m³)**, ensuring a soft seat that maintains its shape over time. Three-layer wood particle board, glued with synthetic resins by high-temperature flat pressing and sanding. Density 630 kg/m coated with melamine-impregnated decorative paper.

The **faux leather upholstery** offers **high durability and resistance** to external agents. It is tested to resist flexing up to **100,000 cycles (ISO 7854:1995)** and abrasion for over **100,000 cycles (EN ISO 12947-1/2:1999)**. Furthermore, the material is **stain-resistant, antimicrobial, and water-resistant**, ensuring maximum hygiene and ease of cleaning with a simple damp cloth and neutral soap.

The **non-slip PVC feet** offer stability, preventing slips and protecting the floor from scratches and signs of wear.

Supplied **already assembled**, the armchair is immediately ready for use. Additionally, the product is certified according to **ISO 9001, 14001, and 14006** quality standards, guaranteeing its compliance with the highest safety and sustainability requirements.
