Soft pouf h681_46 for children aged 0-3 years, with polyurethane foam padding and fireproof, stain-resistant, and antibacterial eco-leather upholstery. Dimensions: W 40 x D 40 x h 20 cm.

The **soft pouf h681_46** is designed for the comfort and safety of the youngest. This pouf fits perfectly into any school environment, creating a cozy and functional area **for children aged between 0 and 3 years**. With its ergonomic design and high-quality materials, it is ideal for moments of relaxation, reading, and play, offering a soft yet resistant seat.

The **internal padding** is made of **open-cell polyurethane foam**, with a density of 25 kg/mc, which guarantees a soft but durable seat, capable of maintaining its shape even with frequent use. The **external upholstery** in phthalate-free **eco-leather** (composition PVC 88% PES 12%) is resistant and safe, treated to be **fireproof** (class 1IM) and with **stain-resistant, antibacterial, and antifungal** properties. This upholstery, besides being extremely soft and elastic, is perfect for daily use in environments with children, as it can be easily cleaned and ensures a high level of hygiene.

The pouf is completely **removable**, thanks to a **practical zipper matching the upholstery**, hidden by a concealed pocket for greater safety. The clean and rounded design is accented by two internal seams and one visible topstitch, which elegantly outline the shape of the model, making it not only functional but also aesthetically pleasing.

Add the soft pouf **h681_46** to your nursery school or kindergarten and create a comfortable and safe environment for children! With its functional design and easy-to-clean upholstery, this pouf is perfect for any relaxation corner or play space. Order now to make your spaces cozy and safe!
