

## Solid wood luggage rack h76\_113, set of 2 units

Folding luggage rack in solid wengè wood, with reinforced straps. Dimensions: W 62.5 x D 45.5 x H 55.5 cm.

The **solid wood luggage rack h76\_113** with a wengè finish is an elegant and functional choice for hotel rooms, B&Bs, and hospitality facilities that wish to combine a warm and natural design with daily practical use. Made of precious **solid rubberwood**, this support integrates perfectly into refined contexts, both classic and modern, offering guests a stable surface for managing luggage. The structure is solid and compact, equipped with **reinforced black canvas straps** designed to guarantee maximum resistance even with bulky or heavy suitcases. Thanks to the **completely foldable** system, the luggage rack allows for space optimization in the room when not in use, representing a high-quality furnishing solution for facilities that focus on natural materials and sophisticated finishes.
