

Spill tray with dispensing device h1042_15

Spill tray with dispensing device h1042_15 for 1 IBC, collection capacity 1,100 L. Made of high chemical resistance black LLDPE polyethylene, DIBt approved with 1500 kg load capacity.

The **Spill tray with dispensing device h1042_15** is a 1,100-liter containment and safety system developed for the static storage and safe dispensing from 1 IBC containing substances hazardous to water. Entirely made of high-quality uncoated black polyethylene (PE / LLDPE), the tray guarantees high chemical resistance and is provided with the general approval from the German building authority **DIBt Z-40.22-564**. Suitable for indoor installation, it ensures a maximum load capacity of 1500 kg thanks to the presence of a stable PE support cross included in the equipment. It is suitable for managing fluids such as AdBlue®, brine, liquid fertilizer, antifreeze, windscreen washer fluid, chemicals, alkaline solutions, acids, and pesticides. The structure integrates a special dispensing device and is designed to offer a durable, low-maintenance solution with an excellent quality-price ratio; it is forkliftable with a forklift or pallet truck (exclusively for transport when empty) and is geometrically nestable for space-saving storage.

Technical features

- **Collection capacity:** 1,100 l
- **Collection capacity up to the upper edge:** 1190 liters
- **External dimensions (W x D x H):** 162 x 117 x 85 cm
- **Weight:** 45 kg
- **Load capacity:** 1500 kg
- **Storage configuration:** suitable for 1 IBC
- **Integrated component:** dispensing device
- **Tray material:** LLDPE (high-quality polyethylene), uncoated
- **Container color:** black
- **Installation site:** indoor
- **Forkliftable:** yes (with forklift or pallet truck, only for transport when empty)
- **Stackable:** yes (nestable for space-saving storage)
- **Number of grids / supports:** 1 x PE support cross
- **Compatible fluids / substances:** AdBlue®, Brine, Liquid fertilizer, Antifreeze, Windscreen washer fluid, Chemicals, Alkaline solutions, Acids, Pesticides
- **Approval:** DIBt Z-40.22-564 (general building authority approval)
- **Assembly state:** in pieces
- **Warranty in years:** 1
