

Square 4-seater picnic table and benches h463_24

Square picnic table H463_24 in steel and Tyrol pine effect HPL (167x167 cm). Inclusive design for 4 people, wheelchair accessible.

The **H463_24 picnic table** represents an advanced structural solution for street furniture and the management of outdoor public spaces. Designed with a square configuration with **integrated seating**, the module is designed to accommodate 4 people while ensuring maximum **accessibility**. The shape of the space underneath is specifically engineered to favor inclusivity, allowing easy approach for wheelchairs or strollers, making it ideal for school contexts, parks and recreational areas.

Resistance to atmospheric agents is guaranteed by the use of **anti-corrosion treated steel** with an anti-UV powder finish, combined with **compact HPL** surfaces with a Tyrol pine effect finish. This material combination ensures high resilience against humidity, thermal excursions and mechanical stresses typical of high-traffic environments, keeping the aesthetics unchanged over time with minimal maintenance.

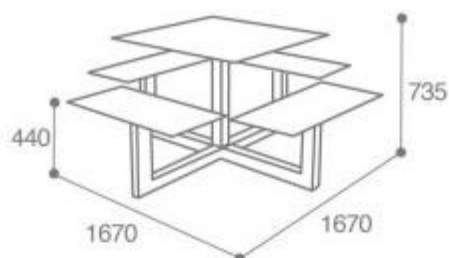

Technical features

- **Capacity:** 4 seats
- **Shape:** square with integrated seating
- **Total dimensions:** L 167 x D 167 x H 73.5 cm
- **Seat height:** 440 mm
- **Structure material:** anti-corrosion treated and anti-UV powder-coated steel
- **Structure color:** Grey RAL 7016
- **Top and seat material:** compact HPL with Tyrol pine effect finish
- **Fixing system:** prepared for ground anchoring with 4 anchoring points
- **Accessibility:** design compatible with PRM (people with reduced mobility) and strollers
- **Supply status:** product delivered assembled
- **Warranty:** 2 years
- **Maintenance:** ordinary cleaning with water and non-abrasive cloth
