

Square pallet box 700 lt closed h. 76 cm h836_22

700-liter HDPE industrial cargo pallet with closed walls. 1130x1130 mm square structure certified for food use and heavy loads. The **grey HDPE cargo pallet** is a high-performance logistics solution, specifically designed for the handling and storage of heavy goods in intensive industrial contexts. Featuring a **closed-wall structure** and a square shape, this container guarantees maximum load stability and integral protection of the content. The high-density polyethylene composition makes it **suitable for direct contact with food**, meeting the rigorous hygienic-sanitary standards required in the food processing and agri-food distribution sectors.

Technical characteristics

- **External dimensions:** 1130 x 1130 x 760 mm
- **Internal dimensions:** 1040 x 1040 x 570 mm
- **Volumetric capacity:** 700 liters
- **Configuration:** Closed walls and solid bottom
- **Material:** First-choice HDPE (High-density polyethylene)
- **Color:** Industrial grey
- **Certifications:** Suitability for contact with food
