

Square stainless steel umbrella stand h413_90

Square satin stainless steel umbrella stand (24x24x49 cm). Linear and resistant structure, ideal for professional environments and offices.

The **square umbrella stand** in stainless steel represents a technical-professional furnishing solution designed to withstand intensive use in public and private contexts. The structure, made entirely of **satin-finish stainless steel**, solves the problem of corrosion caused by prolonged contact with humidity, ensuring a minimal aesthetic that fits into offices, executive entrances, and hospitality facilities.

Technical features
