

Square table for nurseries h681_34

Square table 65x65x42h cm for nurseries in FSC beech and magnolia HPL. Safe design with rounded edges and anti-tear fastening system.

The **square table h681_34** is a professional furniture solution designed specifically for the needs of nurseries and kindergartens. Intended to accommodate children in the **0-3 years** age group, this module offers an ergonomic work and play space, promoting both collective interaction and individual activities. The structure is engineered to eliminate under-top frames, ensuring maximum freedom of movement and postural comfort for small users.

Technical features

- **Dimensions:** L 65 x D 65 x h 42 cm
- **Structure:** FSC certified solid beech wood with 60 mm diameter turned legs.
- **Fastening:** Plug-in system with threaded pin on a bush embedded in a patented anti-tear plate.
