

Square steel umbrella stand h2246

Square-shaped umbrella stand available in both stainless steel and black painted steel versions

A classic umbrella stand that fits your hotel, shop, bar or restaurant. With a simple and essential design, this umbrella stand adapts to any type of environment thanks to its square shape and its resistance and robustness, also guaranteed by the material it is made of, steel.

Even if often neglected, the umbrella stand is one of those home furnishing accessories that is most easily noticed, being placed at the entrance of the home or business; it therefore represents a calling card and its choice cannot be left to chance.

Steel is indeed a very resistant material, easy to clean and maintain.

In particular, steel is:

- corrosion resistant
- temperature resistant
- hygienic
- long-lasting

Available finishes:

- stainless steel
- black painted steel

Technical features:

- square shape
- steel
- dimensions 24x24x49 cm (wxdxh)
