

Square white concrete planter for urban furniture h319_137

High-resistance white concrete planter with travertine finish. Dimensions: 60 x 60 x h 70 cm

The **square white concrete planter** is an ideal solution for urban furniture, perfect for creating elegant green spaces in public and private contexts. Made of high-resistance white concrete, it guarantees long life and resistance to atmospheric agents. Its white *travertine-effect* finish gives a natural and sophisticated look, while the beveled and sanded corners avoid the risk of sharp edges, ensuring safety in public areas. The planter is equipped with a plinth at the base that improves stability and facilitates maintenance.

Thanks to its dimensions, this planter is perfect for planting shrubs, ornamental plants, or small trees, giving a touch of green to squares, public gardens, or building entrances.

Make your urban space more welcoming with this **concrete planter**. Request a quote today!
