

Stackable preschool chair h908_178

Stackable wooden chair. Size 2. Dimensions: W 28.5 x D 30 x H 31 cm.

The **preschool chair h908_178** is a seat designed for daily use in school environments, ideal for children. Made with a **solid beech wood structure**, it guarantees **stability, durability, and safety**, even in high-use contexts such as nurseries and preschools.

The **seat and backrest are in beech plywood**, to offer a comfortable and correct seat according to the ergonomic criteria provided by the **EN 1729** standard. The **seat height of 31 cm** corresponds to **size 2**, perfect for the second school age group.

One of the main advantages of this model is the **stackable function**, which allows for **optimizing space** when the chairs are not in use. This makes it particularly suitable for contexts where flexibility and order are important.
