

Stackable school chair height 35 cm h18_35

Stackable wooden student chair. Height 35 cm. Size 3

School chair for students of different ages. **Seat and backrest in varnished beech plywood**, 7mm thick. **Supporting structure in cold-bent tubular metal** and subjected to continuous wire welding and oven-baked painting at 180° with epoxy powders. The chair bases are complete with **noise-reducing and non-slip plastic feet**. Fixing of the seat and backrest to the structure using aluminum expansion rivets. Painting of the metal parts made with epoxy-polyester powders, non-toxic, scratch-resistant, baked in a thermal tunnel at 180°C after degreasing and phosphating treatment to avoid slag, abrasions and maximize strength.

Technical features:

- Seat and backrest in beech plywood
- Tubular metal structure
- With noise-reducing and non-slip plastic feet
- Stackable
- Seat height: 35 cm
- Size: 3
