

Stainless steel ashtray h26506

Square **cigarette holder** container for outdoor use made of stainless steel. Capacity: 0.5 lt. Fixing: **wall-mounted**. Dimensions: **W.100 x D.80 x h.302 mm**. Italian product.

Asymmetrical ashtray **entirely made in Italy** using exclusively high-quality materials; weather-resistant and extremely hygienic. Rainproof **stainless steel** structure ideal for placement at the exits of schools, gyms, offices and shopping centers. Stainless steel is an **iron alloy particularly resistant to corrosion**; this capability is due to the presence of alloying elements, especially chromium, capable of covering itself with a thin and adherent oxide layer that protects the metal from the action of external chemical agents.
