

## Stainless steel dressing trolley with 3 drawers h902\_12

Dressing trolley with 3 drawers. Structure material: stainless steel. Dimensions: W. 620 x D. 500 x H. 900 mm.

The **dressing trolley** used in clinical-hospital environments is designed to guarantee **resistance and durability**, thanks to its robust **stainless steel structure**. The **18/8 stainless steel worktop** is equipped with a practical **flange on three sides**, which prevents accidental falling of tools and materials during use, ensuring a safe and orderly work environment. This trolley is equipped with **three compact ABS drawers**, each equipped with **self-closing slides** for easy access and efficient organization of contents. The **drawer fronts** are **epoxy powder coated**, offering a resistant and easy-to-clean surface, ideal for maintaining high hygiene standards. For optimal maneuverability, the trolley is equipped with a **128 mm satin nickel lateral push handle**, which allows it to be moved easily even in confined spaces. The base of the trolley is equipped with **four swivel wheels** with a **diameter of 100 mm**. The wheels are constructed with galvanized steel sheet supports, polypropylene core and thermoplastic rubber strip, ensuring smoothness and stability. Furthermore, the **wheels** are complete with **bumpers** to protect the trolley and the surrounding environment from impacts and damage. **Two of the four wheels** are equipped with a **brake**, ensuring the stability of the trolley when necessary.

### Technical features:

- Dimensions: W. 620 x D. 500 x H. 900 mm
- Structure material: 18/8 stainless steel
- 18/8 stainless steel worktop with flange on 3 sides
- 3 compact ABS drawers with self-closing slides and epoxy powder coated fronts
- 4 swivel wheels Ø 100 mm with bumpers, 2 of which with brakes
- 128 mm satin nickel lateral push handle
