

## Stainless steel hotel luggage rack h514\_02

Folding brushed stainless steel luggage rack. Modern space-saving design with nylon straps available in different colors.

The **h514\_02 hotel room luggage rack** represents a functional furnishing solution with an innovative design, designed to elevate the standard of hospitality in modern accommodation facilities. Made of **stainless steel** with a brushed chrome finish, this accessory combines a refined aesthetic with the robustness necessary for intensive use in the **HoReCa** sector. The target audience includes hotels, B&B's and boutique hotels that need to optimize space without sacrificing style. The folding structure solves the operational problem of **volume management** in smaller rooms, allowing the object to be stored in just 55 mm of depth when not in use.
