## Stainless steel kettle for hotel rooms h164\_52

Professional 0.6 L cordless kettle in 304 stainless steel. 1000 W power, 360° base, and concealed heating element. Ideal for hotels, B&Bs, and vacation homes. 3-year warranty.

The **0.6-liter professional electric kettle** is the ideal solution for accommodation facilities wishing to offer their guests an elegant, functional, and compact courtesy service. Designed specifically for the Hospitality sector, this kettle solves the space problem in hotel rooms, B&Bs, and vacation homes, without sacrificing high performance. Made entirely of **304 stainless steel**, it guarantees the highest hygiene standards and superior resistance to corrosion and daily wear.

The **cordless technology with 360° base** allows for total maneuverability, making it intuitive for both right- and left-handed users. The design is focused on practicality: the lid opens via a convenient push button, while the spout is equipped with a **removable filter** that ensures consistently pure drinks. Thanks to the concealed heating element and the automatic shut-off system, the kettle offers excellent operational safety, minimizing maintenance and overheating risks.
