Stainless steel minibar replenishment trolley h314_46

Minibar replenishment trolley for hotel rooms in stainless steel with two hinged doors. Dimensions: W. 800 x D. 550 x H. 1350 mm.

The minibar replenishment trolley is an essential product for **hotels and accommodation facilities** as it allows for quick restocking of snacks and beverages in rooms without having to make individual loads. The product features a **18/10 AISI 304 stainless steel structure** and is equipped with **2 hinged doors with key lock**. Inside, products can be organized by type thanks to the presence of **4 shelves**. The **4 x 125 mm swivel castors in grey rubber** allow for quick, effortless transport. The trolley is **particularly weight-resistant** and, thanks to the **4 black PVC bumpers**, it is also **impact-resistant**.
